

Dual Enrollment

Parent and Student Guide

What is Dual Enrollment?

Dual enrollment is an opportunity for students in grades 9-12 to take classes in high school and one or more college level classes on a college campus or online university. These are courses not offered at your high school or that cannot fit into your schedule.

Qualifications: To be eligible to take a dual enrollment course, you must have a qualifying score on the ACT, SAT or Michigan Merit Exam (see chart on back side).

Credit: Courses can count for high school credit, college credit, or both– it's up to you.

Course Costs: Depending on the college's tuition rates, some or all of the costs are covered by the school district.

Course Location: College campus or online.

Transportation: Provided by student

Eligible Courses

Eligible courses include:

- A course offered by an eligible postsecondary institution that is **not** offered by Avondale Academy, including Advanced Placement and online courses.
- A course offered by the school district but there is a scheduling conflict beyond the eligible student's control.
- A course offered by a college CTE program that is offered for college credit or is part of a noncredit occupational training program leading to an industry-recognized credential that is not offered or goes beyond what is offered through the school district, intermediate school district, area vocational-technical education program (OSTC, Business, Drafting, Child Development, etc.).

Non-eligible courses

Courses that are a hobby, craft, recreational or a course that is in the areas of physical education, theology, divinity, or religious education, are not eligible for tuition support.

Dual Enrollment

Student eligibility to participate in dual enrollment is determined **by qualifying scores** (see chart below) in that subject area as **well as the student meeting the prerequisite for the college course**. For example, a student would need to finish Calculus in order to dual enroll in math. A student who has taken the ACT or SAT and meets the qualifying score in appropriate subject area on one of those exams is eligible for dual enrollment.

ACT	Mathematics	Mathematics	22
	Reading	Reading	21
	Science	Science	24
	English	English	18
COMPASS	Mathematics	Mathematics	52
	Reading	Reading	88
	English	English	77
SAT	Critical Reading	Reading	500
	Writing	Writing	500
	Mathematics	Mathematics	500

The ACT or SAT scores are designed to be indicative of whether or not a student **is ready** to take post-secondary courses and succeed without remediation.

If a student has not taken the SAT or MME, these are the steps to determine eligibility. The PSAT scores are looked at (according to the chart below) to indicate whether or not a student **is on track** to be ready to take post-secondary courses and succeed without remediation. If a student meets qualifying scores on one of these tests, the student would need to take the ACT or SAT to prove eligibility according to the chart above.

PSAT	Critical Reading	Reading	42
	Writing Skills	Writing	41
	Mathematics	Mathematics	44

AVONDALE ACADEMY
DUAL ENROLLMENT IN HIGH SCHOOL AND POSTSECONDARY INSTITUTION COURSES
2015/2016 APPLICATION

Student Name: (First) _____ (Last) _____

Parent/Guardian Name(s): _____

Address: _____ City: _____ State: _____ Zip: _____

Number of credits the student has earned: _____

List current high school semester classes in which you are enrolled in _____

List postsecondary course(s) to be taken during high school _____

Name of postsecondary institution: _____ Term: Fall 2015 or Winter 2016

I will be using this class as High School credit, College credit, or both High School & College credit

If you are requesting college and high school credit please bring a copy of your college grades/transcript for this class to the counseling office at the end of each semester.

Course Number	Course Name	Credit Hours	Amount
_____	_____	_____	_____
Course Number	Course Name	Credit Hours	Amount
_____	_____	_____	_____
Course Number	Course Name	Credit Hours	Amount
_____	_____	_____	_____

I understand the following:

- ▶ This form must be filled out for each term taken at the postsecondary institution (fall and winter).
- ▶ Avondale School District will pay the university/college directly in the amount of **\$514.93* per class** (or the cost of tuition, whichever is less) when invoiced by the postsecondary institution. **Amount tentative based on state funding.*
- ▶ If the student drops their class/classes before the refund deadline date, the student and/or parent/guardian will be responsible to repay any fee that would be charged to the district by the postsecondary institution.

Your signature below indicates consent and agreement with the above information.
